

# 2023 Annual Fee Schedule

(Billed per term via email, in 4 equal instalments. Annual payment available.)

OPERATIONAL FEES	One Child	Two Children	Three Children	4+ children
PER FAMILY	\$2,340	\$3,300	\$3,696	\$4,092

EXCURSIONS AND LEVIES					
YEAR LEVEL	Prep	Years 1-2	Year 3-4	Years 5	Year 6
PER CHILD	\$740	\$440	\$576	\$836*	\$1,212**
ICLT LEVY	\$230 per child				

STUDENT CONSUMABLES (Stationery)			
YEAR LEVEL	Prep	Year 1	Year 2
PER CHILD	\$40		

The **Operational Fee** is charged per family and covers tuition, day-to-day costs (e.g. stationery, electricity, insurance, cleaning, maintenance), some teaching resources (e.g. Library materials and computer hardware, software, and licensing fees), the Archdiocesan Education Levy (AEL), the Brisbane Catholic Education - Catholic Future Schools Land Acquisition Fund (CFSLAF) and goes towards any capital works and loan repayments. We are fortunate that our P&F Association financially supports the school in a range of areas.

**Excursions and Levies** are charged per child and include activities such as swimming lessons, incursions (e.g. Arts Council), excursions, and IT licences such as Reading Eggs and Mathletics. It also covers transport to local cluster events for children in Years 4-6 (e.g. Interschool Sport, Cross Country, QCMF & District Sports) and some additional classroom resources that are needed, especially in our early years where the use of consumables is much greater.

The Excursions and Levies charge varies between year levels as a result of the educational needs and resourcing requirements for children of varying ages. Factors such as play-based learning and the greater need for hands on learning resources and consumables in Prep require a higher operational cost. Increased involvement in competitive, interschool sport is the primary factor for the increased levy in Years 4-6, as is the Year 5 & 6 Camp costs.

The **ICLT levy** is charged per child and covers the cost of all student devices in the school. Students in Prep to Year 2 access class sets of iPads, while Year 3 students access a class bank of Apple MacAirs. Students in Years 4-6 are working in a 1-1 MacAir program, where all students are assigned and take responsibility for a MacAir Laptop. Tech support is currently supported in this levy.

\* The **Year 5 Levy** includes all aspects of Year 5, which includes camp.

\*\* The **Year 6 Levy** covers the Year 6 camp and all aspects of Year 6 Leadership, including a Senior Shirt and End of Year celebrations, as well as the Excursions/Levies inclusions as described above.

(Please note that a \$50 reduction is given to families who pay their full annual fees by the due date in Term 1 [\$25 reduction for 50% statements]. \*conditions apply\*)
