VISION FOR LEARNING

Our vision at St Elizabeth's is for the development of successful, creative, confident, informed and empowered learners who display independence, resilience and hope.

I am responsible
I am organised
I think for myself
I am a self starter

I have a go
I persist
I learn from mistakes
I bounce back

I am curious
I seek clarification
I solve problems

I set goals
I work to a plan
I ask "Is this my best work?"
I seek feedback

I listen
I speak
We act

I am positive
I am enthusiastic
I have a growth mindset
I can do it
